Dear Returning Middle School Student,

We hope your summer is going well. We know you will want to be ready for the new school year. Attached is a list of supplies you will need for your middle school classes. Be sure to bring all these supplies with you on the first day of school.

We challenge each of you to use the abilities God has given you. Our prayer for you is that you would give your best to your academic studies, your extracurricular activities and your friendships. There is much ahead of you, and God will be at your side every step of the way.

Our AWESOME God has some great plans for you in the new school year. We hope you are looking forward to school. We will be excited to see you!

In Christ,

The Middle School Faculty
