Hi Second Grader!

How have you been this summer? I hope that it's been a great one! As I write this, I am on vacation on a beach in North Carolina. When I see you in August, I will want to hear about your summer activities and adventures. I'm very excited that I get to be your second grade teacher this year!

Even though there is a lot of summertime left, I want to send you a list of supplies that you will need to bring to school in the fall. Your desk will be somewhat smaller this year, so keep that in mind as you purchase your supplies.

- one small pencil box - They're on sale at Michaels now for only \$1.00. Look for one that's about 5"x8".
- one dozen wooden (not plastic coated) #2 pencils - (I will collect these and distribute them to the class as needed. I'll have pencils sharpened and ready for you to use on the first day of school.)
- one box of 24 crayons (I have plenty of markers at school for everyone to share.)
- a clipboard
- scissors
- a few glue sticks (I have plenty of drip glue at school.)
- one box of tissues
- one small box of plastic spoons
- three containers of disinfectant wipes
- a small ziplock bag labeled with your name containing 20 pennies, 10 nickels, 12 dimes, and 6 quarters

Please note that I have not asked you to bring special folders, binders, or notebooks. I will have all of those ready for you here at school when you need them. Another item that you will not need is a portable sharpener. We rarely use them, but when we do, I'll have a few at school for you to borrow.

I pray that God will bless you and your family throughout these summer days! I'm looking forward to seeing you at the end of August.

Lovingly in Jesus,
Mrs. Goehner

P.S. If you have any questions at all for me, I'd love hearing from you. You may contact me here: jgoehner@stpaulskingsville.org
