Student Athlete: I have discussed the commitment of being a member of a team sport with my parents. I am willing to work hard to maintain my GPA. I am also ready to give 100% at practice at all times, allowing me to improve my skills as an individual as well as contributing to the team in any way I can. I will be a "Christ-like" representative of St. Paul's Lutheran School both on and off the court. I understand that it is important to be at practices and games on time and will contact my coach as soon as I know I will be absent for any reason.

Parent: I have discussed the importance of the commitments stated above with my child. I will insure they will arrive to practices and games on time. I understand there is always a risk of injury while playing in a game or practicing. I give the coaching staff of St. Paul's permission to perform basic first aid to my child in the event of an accident. I agree not to hold the coaching staff of St. Paul's liable for unforeseen injury that may come about from my child's participation in practice and games. I have read the attached form on concussion awareness. I agree to show respect to all officials, players and coaches. I am aware that I too am a representative of St. Paul's Lutheran School .

There is a \$80.00 (A Team) and \$35.00 (B Team) fee given to all players. Have the checks made out to St. Paul's Lutheran School Activity Fund. This fee helps us offset the cost of the officials and the rental fee at Emmorton Recreation Center. Please try to have this in before the season begins (first official game).
