Touch A Truck/Open House Event

November 10th, 9am – 12pm

We are starting a new, fun, family event during our open house this year to give the kids in our community a hands-on opportunity to touch, examine, and explore a variety of vehicles.

We need your help! If you have a connection to any of the types of vehicles listed on the right, please let us know. We would love to have you join us!

PLEASE CONTACT MONICA BRANT AT
